For Officer Edwards.

Assaulted by Two Men Monday Evening.

Heavy Fine For Assaultant With a Knife.

Mansfield Man Here to Answer Charge.

Long List of Variegated Woe In Mayor's Court.

Jack Walker was in Police court Tuesday, charged with intoxication and resisting an officer. On the first he was fined \$2 and costs and on the second \$10 and costs. The trouble took place Monday evening, at Broadway and Exchange sts. Officer Edwards, after ordering Walker, who had been drinking, to go home, and after taking his horse and buggy to P. T. McCourt's livery barn, arrested him, and started to take him from August's saloon.

Walker struck the officer several times, and another man also struck him. It was necessary to knock Walker down three times, before he would behave. Officer Doerfer arrived, and held Walker while Edwards started after his assailant. Edwards has a bad-looking eye.

Warren McGarvey, accused of assault and battery on Harry Harris, was fined \$25 and costs and sentenced 20 days to the workhouse. Time part was suspended, as the defendant's wife is sick. It was stated that he had tried to cut the hand of the complaining witness with a knife.

On September 5, G. B. Haynes, a shrewd-looking young fellow, brought here from Mansfield, Monday by Officer Doerfer, will tell why he got \$2 worth of printing from Edwin Myers and gave a check for \$10 and received change, when it is alleged, he knew the check was worthless. Haynes says, "Not guilty."

"I'll fine you \$2 and—no, I'll make it \$3 and costs because you lied to the court," said His Honor in imposing sentence on Chas. Dunn, for intoxication. Dunn had said he had never been arrested before, and Officer Washer said he had.

Louis Cargould and John Dennison were each fined \$3 and costs for fighting Monday night. Dennison said Cargould had followed him around in a saloon and struck him first. Cargould said he was sitting in a chair when Dennison came up and struck him in the face.

On charge of assault and battery upon Geo. Tschhart, a 10-year-old boy, Edward Potts was fined \$10 and costs and sentenced 30 days to the workhouse. Clarence Scott, a little colored boy, was fined the costs in the case against him—accused by A. J. Snelfield of stealing a bicycle.

Adam Duncan was arraigned Tuesday on charge of maintaining a nuisance—that soap factory. He pleaded not guilty and the case was continued to Sept. 10. Mayor Doyle has not

The Two Archers.

Love and Death are both depicted as archers. When Love sets his arrow in a woman's heart and she turns and follows, seeking healing of her hurt, could there be aught sadder than that she should be led by very Love into the ambush where Death's arrow on string, waits to plant his deadly shaft in her breast? Yet so it is. Time and again Love proves to be Death's decoy. And often when the grim archer fails to inflict mortal hurt, he leaves the suffering woman to creep through life like a broken-winged bird.

Why does love lead to suffering? Many a woman has asked that question piteously and passionately. She has forsaken father and mother to cleave unto her husband in the belief that so she was achieving woman's highest happiness. But instead of happiness she has found misery, struggled with it until struggle seemed useless, and at last has come to accept her misery as the "cross" laid upon women who love and marry.

There is no real reason why almost every wife and mother should not enjoy sound health. The causes of her misery lie in diseases which affect the delicate, womanly organism. Disagreeable drains are carrying away the vital force. Inflammation has lighted its fire for slow torment. Ulceration is eating into the tender tissues. Female weakness is making life a daily martyrdom. Is it any wonder that the nerves are racked, that appetite fails, and night, which should bring rest, brings only restless and troubled dreams?

Dr. Pierce's Favorite Prescription cures the womanly diseases which undermine the general health. It dries the drains, puts out the fire of inflammation, heals the ulcerated tissues and cures female weakness. In a word, it makes weak women strong and sick women well.

"Favorite Prescription" is a true temperance medicine. It contains no alcohol, neither opium, cocaine, or other narcotic. Sick and ailing women are invited to consult Dr. Pierce by letter, free of charge. All correspondence strictly private and sacredly confidential. In a little more than thirty years Dr. Pierce, assisted by his staff of nearly a score of physicians, has treated and cured over half a million women. Write, without fear or fee, to Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

HAD GIVEN UP HOPE.

"It is with feelings of sincere gratitude that I again write to you," writes Jerry A. Brown of Oroon, Penobscot County, Maine. "I wrote to you concerning my health last Spring (I think it was in June) and you advised me to take your Favorite Prescription and 'Golden Medical Discovery' and according to directions, and continued taking them for five months. I took nine bottles of 'Favorite Prescription' and six of 'Golden Medical Discovery' and four vials of Dr. Pierce's Pellets. My disease was displacement and ulceration of the uterus, and I was in a terrible condition with pain and weakness, and had given up all hopes of ever getting well again. I had been treated by four different doctors within four months, and instead of getting better was growing weaker all the time. I decided to try your medicine, as I had heard of the many cures resulting from their use. I bought five bottles and felt so much better after using them that I kept on until I am as well as ever in my life, and to Dr. Pierce all the praise is due."

"Before I began taking your medicine I only weighed 100 pounds. I now weigh 150 pounds, and I am in a fine condition with pain and weakness, and had given up all hopes of ever getting well again. I had been treated by four different doctors within four months, and instead of getting better was growing weaker all the time. I decided to try your medicine, as I had heard of the many cures resulting from their use. MORE BOXES OF GOLD.

And Many Greenbacks.

To secure additional information directly from the people, it is proposed to send little boxes of gold and greenbacks to persons who write the most interesting, detailed and truthful descriptions of their experience on the following topics:

1. How have you been affected by coffee drinking and by changing from coffee to Postum?
2. Do you know any one who has been driven away from Postum because it came to the table weak and characterless at the first trial?
3. Did you set such a person right regarding the easy way to make Postum clear, black, and with a crisp, rich taste?
4. Have you ever found a better way to make it than to use four heaping teaspoonsful to the pint of water, let it stand on the stove until real boiling begins, then note the clock and allow it to continue easy boiling full 15 minutes from that time stirring down occasionally? (A piece of butter about the size of a navy bean, placed in the pot will prevent boiling over.)

5. Give names and account of those you know to have been cured or helped in health by the dismissal of coffee and the daily use of Postum Food Coffee in its place.
6. Write names and addresses of 20 friends whom you believe would be benefited by leaving off coffee. (Your name will not be divulged to them.)

Address your letter to the Postum Cereal Co., Ltd., Battle Creek, Mich., writing your name and address clearly.

Be honest and truthful, don't write poetry or fanciful letters, just plain, truthful statements.

Decision will be made between October 30th and November 10, 1901, by three judges, not members of the Postum Cereal Co., and a neat little box containing a \$10 gold piece sent to each of the five best writers, a box containing a \$5 gold piece to each of the 20 next best writers, a \$2 greenback to each of the 100 next best, and a \$1 greenback to each of the 200 next best writers, making cash prizes distributed to 325 persons.

Almost every one interested in pure food and drink is willing to have their name and letter appear in the papers, for such help as it may offer to the human race. However, a request to omit name will be respected.

Every friend of Postum is urged to write and each letter will be held in high esteem by the company, as an evidence of such friendship, while the little boxes of gold and envelopes of money will reach many modest writers whose plain and sensible letters contain the facts desired, although the sender may have but small faith in winning at the time of writing.

Talk this subject over with your friends and see how many among you can win prizes. It is a good, honest competition and in the best kind of a cause.
